Herrmann Certification in French - Paris

1st part : module 1 (3 days)

2nd part : module 2 (2 days)

Herrmann Certification in English - Brussels

Certification (4 days)

Herrmann Certification Workshop

First part - (module 1) : the HBDI®

Learn to use, apply and interpret the Herrmann Thinking Preference profile (HBDI®)

This program is about the knowledge of the Whole Brain model and the use of the HBDI® (management, communication, recruitment, evaluation, competences assessment, orientation, coaching, ...)

- Introduction : the principles of the Whole Brain® model and its application.
- Use and debrief of the thinking preferences profile.
- Validation exercises

Second part - (module 2) : the team profile

Management and team building

Team Building, welcoming of new team members, motivation and creativity improvement.
Definition of the adapted management style of the team.

- The team profile: diagnostic tool, recommendations and development.
- The different sections of the team profile.
- Case studies.
- The conditions of implementation.

This certification workshop can be organised within your company in Europe: please contact us for more information.

** The training dates may be modified during the year.
