

# HBDI™ Certification Workshops

*Do you need to improve learning results, individual contribution, team interaction, or develop innovative ideas? Would new ways to solve problems, strengthen relationships internally and externally, increase performance and develop a better communications system be beneficial? Herrmann International has two great ways to help.*

## Certification Level I

### Who can benefit from HBDI™ Certification I?

You can. Thousands of teachers, trainers, consultants, and educators worldwide use Herrmann Brain Dominance Instrument (HBDI™) to improve results in Organizational Development, Leadership Development, Personal Growth, Career Development, Team Effectiveness, Innovation, Learning, Creativity and other applications.

By harnessing the power of Whole Brain Thinking, individuals and companies gain the power to reach goals beyond their expectations.

This two-day workshop prepares you to use, interpret and apply the HBDI™. Our instructors use the latest techniques to build your knowledge and confidence includes:

- A Start Thinking License and Facilitator Guide
- Two HBDI profiles to use during the certification session
- The Creative Brain™ by Ned Herrmann for pre-reading.
- Ongoing access to resources in the Practitioner's Area on [www.hbdi.com](http://www.hbdi.com)

**All this for just 2,500 Euros (+ travel and expenses).**

You receive everything you need to prepare for the workshop and to complete your certification practicum.

**An introductory materials package will be available at a special discounted rate for Certification Level I and Level II participants**

**To register for this special workshop, call +1 828 625-9153 ext. 307  
or email: [service@hbdi.com](mailto:service@hbdi.com)**

## Certification Level II
