

Lost at Sea Exercise

Instructions :

You and your team have chartered a yacht. As you sail through the Southern Pacific Ocean a fire breaks out and much of the yacht and its contents are destroyed. The yacht is slowly sinking. Your location is unclear because vital navigational and radio equipment has been damaged. Your best estimate is that you are approximately 2000 miles South West of the nearest landfall.

You and your friends have managed to save the following 15 items, undamaged and intact after the fire.

1. A sextant
2. A shaving mirror
3. A quantity of mosquito netting
4. A 5 gallon can of water
5. A case of army rations
6. Maps of the Pacific Ocean
7. A floating seat cushion
8. A 2 gallon can of oil/petrol mixture
9. A small transistor radio
10. 20 square feet of Opaque plastic sheeting
11. Shark repellent
12. One quart of 160 per cent proof rum
13. 15ft nylon rope
14. 2 boxes of chocolate bars
15. A fishing kit

In addition to the above, you have salvaged a four man rubber life craft. The total contents of your combined pocket's amounts to a packet of cigarettes, three boxes of matches and 3 £5 notes.
